Dear Families

You may be unaware but The Glenleighden School is a special place not just because of the wonderful teaching and learning experiences that occur here, but also because we are the home of an endangered species - The Richmond Birdwing Butterfly. Take a wander to the playground and peer into the fenced off habitat at the back and you will find this precious creature fluttering around.

The school, in collaboration with numerous partnerships, has started a new project to launch 'The Cubberla Butterfly Sanctuary' complete with bush tucker trail, yarning circle and creek regeneration project.

Stay tuned for more information. We also hope our students' journey at our school reflects the transformation of the butterfly and leads them to fly off into an unlimited future.

Speech Language Development Australia

All parents should have received correspondence from Hilary Martin, CEO, about the exciting change of name for the organisation. CHIL.D. Association is being re-branded as **Speech & Language Development Australia** (SALDA).

Our school will continue to be known as The Glenleighden School.

Please contact the school office if you have not received information outlining any changes and what this means for the organisation.

PS&F AGM

The Glenleighden School PS&F AGM will be held in the library on Wednesday, 15 February 2017, at 6 pm. The PS&F is an amazing organisation and we encourage all parents to join. Any queries should be directed to Rowena Wallace.

Facebook

If you are not a friend of The Glenleighden School Facebook page we encourage all families to join us and share the news about exciting events at the school. For more information please contact Jodie Swan at the office.

Paget Gorman Workshops

Paget Gorman Workshops commenced on a fortnightly basis last Wednesday led by Speech Pathologist, Anne Mc Sweeney. All parents are welcome to attend the workshops held in the library and join us for a coffee afterwards.

Parent Immersion Program

The Parent Immersion Program will be held this Saturday, 18 February 2017, at the school. During the morning parents will become students and experience our program from a different perspective. Families are reminded bookings are essential. We look forward to seeing you there.

School Banking

We thank Allison Weatherly and Minna Watson for taking over the banking responsibilities for the school. It is important that our children understand the value of money and learn to save and we encourage all interested children to participate. The Commonwealth Bank will be on site Friday morning to answer any questions. We are also expecting a visit from Pat the Dog in the next few weeks.

School Parking Restrictions

Parents are encouraged to check all signs when parking in the streets adjoining the school. The parking inspectors have been quite vigilant in the last few days, so it is important should you not wish to get a ticket. Safe parking is also important for the safety of our children.

Kind regards

Debra Creed
Principal

Chaplaincy News

Hi TGS Families

I'm very excited about our next MyTime event, coming up on **27 February**. Thanks to the great suggestion by one of our parents, we will be running a Floral Workshop with a local florist.

All materials and morning tea will be provided for a minimal cost of \$20. This is a great opportunity to come, chat, be creative, and of course, have something beautiful to take away with you.

Spaces are limited, so please RSVP as soon as possible. All the details are attached.

Upcoming Coffee Morning

Also, please lock in the date for our next Coffee Morning at Lone Pine Koala Sanctuary on the first Monday of next month, **6 March**.

Jilanna Craig – Chaplain

FLORAL WORKSHOP

Come & get creative! Learn tips & techniques to create your own floral bouquets and table centres.

Upcoming Event!

Please join us for our 2017
Parent Immersion Program

The Parent Immersion Program
will provide families with firsthand experience of a
typical day at **The Glenleighden School**.

The program will reflect the learning activities at
school and will conclude with an information session
about how the program supports learning and
development in children with Language Disorder.
