IT Device Levy**	\$ 300.00				\$ 300.00

\* All Students in Years 11 and 12

\*\* All students Years 5 to 12

Non-refundable Application Fee	\$ 500.00				
Enrolment Deposit	\$ 1,250.00 (deducted from final school fees invoice when student leaves school)				

#### Notes:

Other activities and consumable items e.g., excursions, camps and booklists are charged in addition to the annual fees.

**Sibling discount:** The full fee is paid for the eldest enrolled sibling and the discount applies to younger siblings. The discount rates are: second child concurrently enrolled 10% and third child concurrently enrolled 15%.

**Early bird discount:** Payment of the full year's fee by 28 February will attract an early bird discount of 5% per enrolled student. This discount is not available for parents who already receive another discount for school fees.

The IT Device Levy covers *part of the cost* of the provision of a dedicated laptop to all students from Years 5 to 12. The Queensland Government directly provides to schools an allowance for textbooks and resources for each student (in 2022 \$130 for students Years 7 to 10 and \$281 for students in Years 11 and 12) which we also allocate to partially fund the student's dedicated device. Parents are entitled to opt to receive this allowance from the school. Requests must be made in writing and parents should be aware that if they take this option, they will incur an additional levy to fully cover the cost of their child's dedicated device – this additional levy would exceed the allowance for textbooks and resources.

Thank you for your continuing commitment to our school. We are grateful for your support through the payment of tuition fees and so many other forms of generous help.
