Date position reviewed:	November 2021

About SALDA

Speech and Language Development Australia (SALDA) is the nation's peak body supporting and advocating for the needs of children and young people with speech, language and related disorders. For over 40 years our not-for-profit organisation has developed a unique, multidisciplinary approach to helping children and young people with Language Disorder to find their voice.

When people have a voice their thoughts, feelings and aspirations are recognised by others. They possess the capacity to make an impact, both on their own personal situation as well as the broader community, through their actions and words.

SALDA provides a range of services including The Glenleighden School, School Support Services, Allied Health Assessment and Therapy Services, Professional Learning, and Research and Advocacy.

SALDA' Vision, Mission and Values

Our vision is to be the leader in ensuring extraordinary outcomes, beyond what anyone imagined possible, for children and young people with Language Disorder.

Our mission is to educate, support and advocate for children and young people with Language Disorder, enabling them to find their voice.

Service – We put the interests of others above our own and actively seek out opportunities to help.

Passion – We love what we do and show this through our enthusiasm, energy and positive mindset.

Excellence – We have high expectations of ourselves and each other, and continually strive to be better tomorrow than we were today.

Accountability – We accept responsibility, do what is expected of us and are answerable to each other.

Kindness – We are friendly, generous and considerate in everything we do.

Empowerment – We deliberately enable others, develop their agency and voice, and are committed to their success.

Respect – We show through our everyday actions that we value others as unique individuals, entitled to our high regard and dignity, honouring their difference and contribution.

Position summary

The Practice Administrator is responsible for effectively and efficiently managing the Indooroopilly and Fig Tree Pocket clinics. As the first point of contact for our clients (partners), the Practice Administrator will display superior customer service skills while providing oversight to the premises and their administrative operations.
